

Georgia Historical Society Partner Toolkit

This toolkit provides everything partners need to quickly install, launch and promote the Today in Georgia History Widget and Georgia Commemorates America at 250 content.

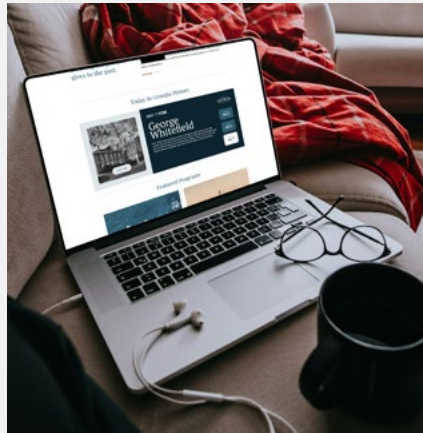

Widget Installation Guide

Install the Today in Georgia History Widget in 3 Easy Steps

Step 1 — Copy the widget code. Copy the embed code provided [here](#).

Step 2 — Paste it into your website. You can paste the code into:

- Your homepage
- News or blog sidebar
- Education or resources page
- Community calendar page
- Newsletter landing page
- Digital display page

Step 3 — Publish. Save and publish your page. The widget will automatically display the current day's Georgia history video and continue updating daily. **No ongoing maintenance required.**
